MARK'S BEST-SELLING KEYNOTES

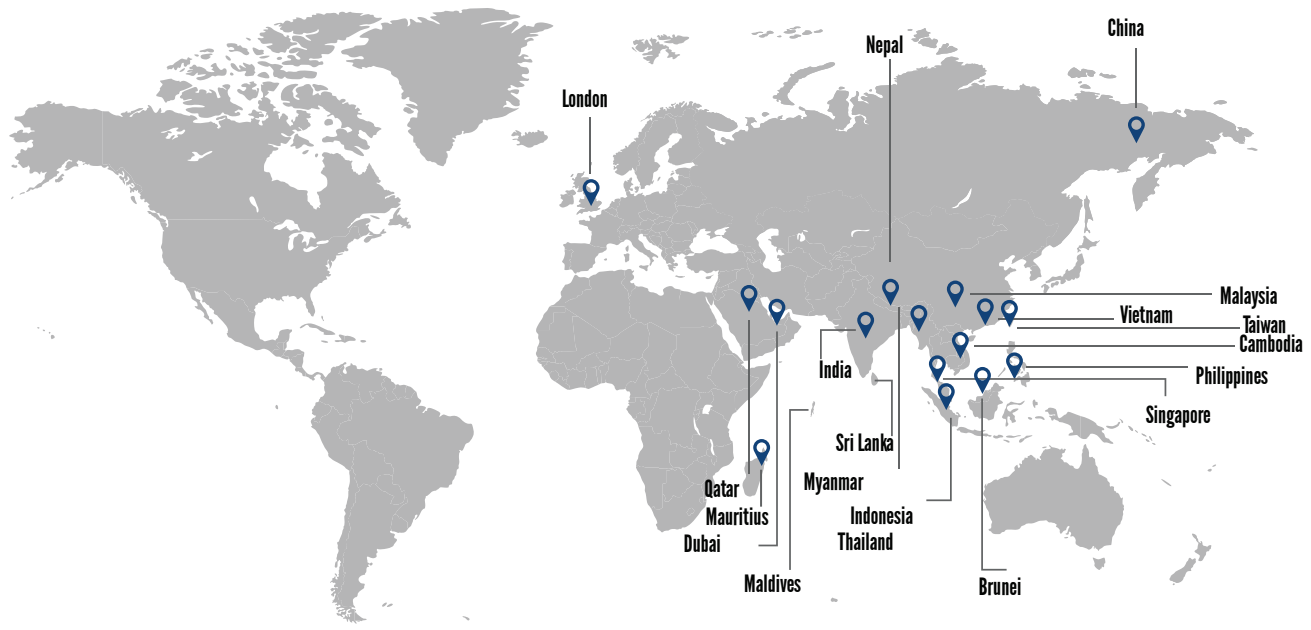

The world is changing at the fastest rate since the industrial revolution. This change has brought about a new way of managing and leading within companies in Asia and the world. As technology moves forward, the world has seen the meteoric rise of innovative companies, while businesses stuck in the quagmire of traditional models have seen their fortunes plummet. In this age of disruption and innovation, how can you embrace innovation – not just in technology, but also in thinking? Mark's keynotes centered around The Future of Work, Leadership in the Digital Age, and How to Build A Culture of Innovation seek to address these questions.

MARK'S BEST-SELLING KEYNOTES:
